

Hawk Circle's Project List

Eagle House Deck

A deck on the west end of Eagle House that looks out over the valley hills will offer guests and additional space to enjoy the beauty of nature.

We've raised \$4,000 so far and need \$10,131 more to complete this project.

\$10,131

Trail Improvement

We have several trails that need tending in order to open them up to our guests. With greater concern for Lyme disease, we're wanting to widen our trails for guests to safely pass through the woods, as well as foot bridges for damp areas.

\$9,500

Cabin Enclosure

We have a 6th cabin frame with a completed roof ready to be enclosed. This will provide additional housing for guests.

To full complete the cabin, we need to raise:

\$25,405

Signage

We are desperately in need of a new sign at the entrance to Hawk Circle. Our sign is the only part of our place that people can see from the highway since we are located a mile off the road, and it's in poor shape due to weathering.

\$6,650

Nordic Sauna

Our Nordic sauna will be a magical addition to our guests' experiences, and will support their journey to reset their nerves system. It began as a timber frame project for last fall's students.

To complete this project we need to raise:

\$18,405

Thank you for your consideration in helping us complete these valuable projects!
